“WE SHOWED BARBARA A PLAN THAT SAVED HER MONEY AND GOT HER MORE COVERAGE.”

“Before switching to Health Net’s *Ruby* **OPTION 1** Plan, Barbara was spending \$2,340 a year on Medicare costs. We showed her a plan that offered her more coverage for *almost half of what she was paying for her Medicare Supplement Plan*.

Barbara’s primary care doctor visits only cost her \$5 per visit. So, even if she sees her doctor six times a year, she’ll still save more than \$1,100 this year compared to her previous plan.”

- Jim W.,
Health Net Territory Manager
